ackground

IONIC Definition: A strong bond formed by the electrostatic attraction of oppositely charged ions.
In our own words: We are the positive force attracted by the negative (problem) which then forms a strong bond with the client when we've sorted out the problem.

IONIC Gas, Plumbing, Electrical, Construction and Steel is a privately owned and operated company with a combined experience worth of over 20 years. Established in 2012, we are a professionally accredited Gauteng based national Gas, Plumbing, Electrical, Construction and Steel company. We work closely with Contractors, Body Corporates, Insurance companies and homeowners, not just to fix a problem, do a new installation or renovation, but to build sustainable, long-term and mutually beneficial relationships. We pride ourselves on our efficiency and reliability, as well as our quality of work and ability to exceed customer expectations. In addition, we keep close contact with respected craftsmen to refer when the work required needs a different pair of expert hands.

What we do:

1. Maintenance and new installations **plumbing**, e.g.:
 - Burst geysers to blocked drains
 - Solar water heating & heat pumps
 - Plumbing COC
2. Maintenance and new installations **Electrical**, e.g.:
 - Electrical Fault finding
 - Plug and Light points
 - Electrical COC
3. Maintenance and new installations **Gas**, e.g.:
 - Gas geysers
 - Gas stoves
 - Gas COC
4. Construction to current structures e.g.:
 - Building and Plaster
 - Painting
 - Tiling and much more

What extra services we offer:

- We operate 24/7
- We are competitively priced.
- We have quick Turned around times and deliver on the promises we make.
- We operate all over Gauteng area
- We offer a range of payment options such as EFT, Card facilities and Snap scan.

Strategy and Vision

With any company, a good work ethic is required to ensure results that endure. It's with this view that we have made our name the core value of our daily operations: delivering IONIC results.

I-Integrity

We value ourselves as a company with integrity and honesty, we promote transparency in all our dealings with our clients and suppliers.

O-On the ball

We are observant and organised. We keep our clients informed of progress or problems we may encounter. We are always on time and ready for action barring any natural disasters.

N-Neat

We are heavily focused on keeping our jobsite clean and organised. We will leave your home/premises as neat and clean as we found it.

I-Intelligent

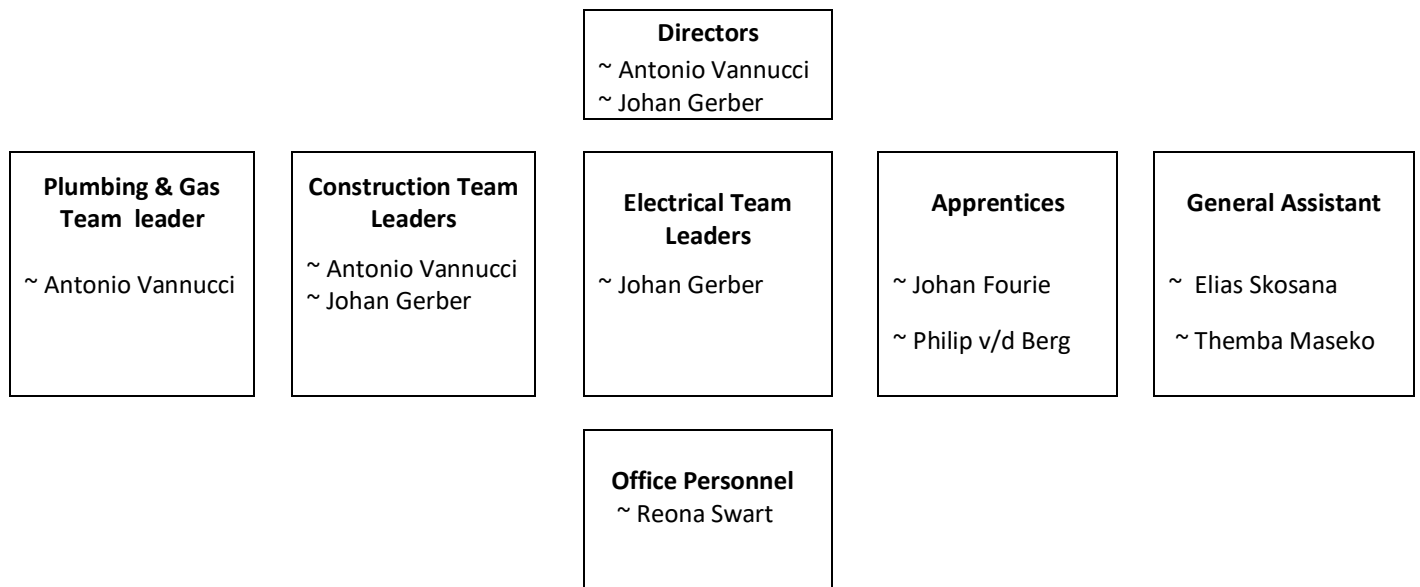

We are ever mindful of new techniques and innovation, and we're always happy to discuss ideas and make suggestions to help you realize your vision or fix a problem.

C-Compliant

We strive to provide our clients with top quality SABS approved products. We are registered with The PIRB, IOPSA and adhere to all regulatory standards and requirements.

Last but certainly not least, we are fully insured and we are so confident about our finished work and service that we are always eager to show it off.
