## **Business Profile – Santie Korf Creative Photography**

Santie Korf Creative Photography is founded and owner by Santie Korf, based in Centurion Gauteng, and travel both nationally and internationally to take our clients' important photos.

I'm proudly offering my clients the following photography services:

- Corporate Branding
- Personal Branding
- Headshots
- Corporate Events

### **MY VISION**

To create exceptional imagery that you can use to connect with your audience, while celebrating the best version of you and your company

### **MISSION STATEMENT**

I will provide professional, thoughtful, creative and brand defining images whilst offering quality, value, diversity and honesty in my approach.

I aim to be the best I can be while striving to constantly improve the quality of my service and products.

All my clients are equally important to us. Whether an individual or a large corporate, the standard of service will be the same.

Although every project is approached with professional care, I believe that my clients should enjoy every part of the process and remember the experience as something they loved doing.
