ABOUT THE FIRM

We are a well-established South African law firm, whose attorneys collectively have more than 100 years of experience. Our highly qualified legal professionals are experts in the various fields of law within which we operate, providing tailor made solutions to our clients.

We enhance and support our legal expertise by not only employing the best support staff and utilising modern technology, but by also paying close attention to the detail of each matter. This allows us to provide our clients with the best possible legal support, every step of the way.

We strive to create an effective and productive working relationship with all our clients, in order to achieve desired outcomes and to fulfil our mandates. The core of our business is focused on ensuring that our clients' needs always remain at the forefront.

We are uniquely positioned to provide top quality legal services throughout South Africa, that are easily and equally accessible to all, and we are empowered to provide YOU with world class personalised solutions.

Construction law

Our specialised team of professionals are trained in all construction related matters and have in-depth insight into and experience with the various construction contracts and professional regulations which are commonly utilised in the industry. Our main focus is to resolve dispute quickly and efficiently by way ADR as opposed to Court litigation.

Contract Law

We provide services relating to the drafting of contracts and the resolution of any disputes arising from contracts.

Conveyancing & Property Law

Our conveyancing and all property related services include but are not limited to assisting with finance agreements, drafting of transfer documents, cancellation and registration of bonds, registering transfers in the Deeds Office and conveyancing litigation.

Corporate & Commercial

We attend on the formation and dissolution of companies, drafting of commercial agreements, advisory services and corporate and commercial litigation.

Deceased Estates and Wills

We attend to the drafting of wills, the winding up of deceased estates, attend to any litigation relating thereto as well as the transferring of immovable property out of estates in conjunction with our conveyancing department.

Family law

Our family law department specializes in a variety of family matters including the drafting of ante-nuptial contracts, divorces, maintenance, Domestic violence, harassment, settlement agreements and matters related to minor children.

Insolvency law

Our experts provide advice on insolvency, liquidations, sequestrations and business rescue matters. We institute and oppose legal proceedings on behalf of our clients and provide guidance during these proceedings.

Labour Law

Our labour related services include drafting and negotiating employment contracts, attending on all labour litigation and alternative dispute resolution matters, bargaining council and CCMA matters. We also advise clients on implementing internal disciplinary procedures.

Legal Recoveries & Collections

Our firm assists in recovering money that is owed on outstanding accounts. Our debt collection department is equipped to recover monies and any arrear payments due to our clients.

Litigation & Dispute Resolution

We specialise in general, civil and commercial litigation. Our team of experienced attorneys attends to any litigation matters arising out of the Magistrates Court, Regional Court and High Court.
