

**Title: LOOKING FOR THE BEST PROMOTIONS FOR BLACK FRIDAY AND CHRISTMAS-
FIRST FIVE PROMOTIONS PER SEGMENT WILL BE PLACED FOR FREE.**

Yes! That may sound impossible, but we have just made it possible for you.

We are introducing WiiGiit, a hyperlocal directory app that is exclusively built to bring to any type of business foot traffic, relevance, and revenue. On top of that, you'll be able to engage with your pre-existing and new audiences in an amazing and unique way, solidifying your brand awareness into unseen levels.

How does it work?

Thousands of users constantly seeking fun and things to do in the city get frustrated on a daily basis because sometimes... fun and good places are hard to find!

With WiiGiit, they just open the app and get to see what's hot out there near them. Straight from the app they can:

- See top promotions,
- Redeem discounts
- Access rewards programs,
- Book or make reservations,

We make the mission of finding your business, as easy as ABC for everyone. If you truly want to boost your revenue and reach higher realms, talk to us! We're eager to help you.

[call to action] Book Your Free Space Now

What will you get as a business?

Not missing a single customer ever again, just because they didn't know about you. And also be featured in the **Top Promotions** section, this will feature your business at the top of the list when someone is looking for action in your area.

Wait... there's more!

Given Christmas is around the corner, for every top promotion category and for a limited time we offer a few limited spaces so you can list your business, add vouchers, ads and a digital loyalty card for your customers for free. Don't miss out on this!
