

Company Profile

2026

CAELEX is a leading supplier of premium-quality light and heavy-duty auto electrical spares, accessories, and equipment, serving both professional auto electricians and the broader auto electrical aftermarket across Africa. With our head office in Pretoria and our sister company, Vukuzenzele Chris Auto, in Witbank, our strong footprint enables us to efficiently service customers throughout South Africa and beyond.

Company Profile

For more than 50 years, CAELEX has proudly supplied the automotive industry with high-quality auto electrical and related spares, serving customers nationwide, including:

- | | | |
|--|--|---|
|  <u>Auto Electricians</u> |  <u>Mines & Mining Operations</u> |  <u>Commercial Vehicle Owners</u> |
|  <u>Fleet Owners</u> |  <u>Farms & Farming Machinery</u> |  <u>Passenger Vehicle Owners</u> |

Our Mission

- To serve and provide YOU, our customers with premium quality service that's second to none.
- To ensure that our components are of the best quality.
- To provide efficient and professional service, reinforced by strict quality control.
- To develop, train and retain exceptional capacity and knowledge among our staff and help them achieve personal goals using the resources at their disposal.
- To promote democracy, honesty and integrity amongst our staff and customer base.
- To provide a safe and pleasant environment free of intimidation, that not only encourages respect, participation, satisfaction and stimulation but also one that embraces and inspires community involvement.

Our Values

Our company values carry such importance that we've shaped them into an easy-to-remember acronym: The R.I.C.E. Principle.

-  **Respect**
We treat others as we would like to be treated ourselves. We do not tolerate or accept abusive or disrespectful treatment.
-  **Integrity**
We believe in working with our customers and colleagues with openness, honesty, and sincerity. When we commit to something, we follow through—and if we cannot, we are transparent about it.
-  **Communication**
At CAELEX, we believe communication is not an obligation but a commitment. We take the time to engage with each other—and with you—listening with intent and purpose.
-  **Excellence**
We know you expect nothing less than the best—and neither do we. Excellence is our standard in everything we do.

Our Service Footprint

The CAELEX head office, located in Tshwane (Pretoria), is a purpose-built 2,500m² facility designed to support our extensive operations. Alongside our well-stocked stores, we maintain a database of more than 18,000 stock items, enabling us to supply premium-quality auto electrical parts to customers both nationally and internationally. Our sister company, Vukuzenzele Chris Auto in Witbank, was established as a dedicated (Pty) Ltd Auto Electrical Parts Supplier in 1994. Together, CAELEX (Pretoria) and Vukuzenzele (Witbank) are strategically positioned to meet the complete auto electrical parts needs of our customers across South Africa and beyond.

Product Profile

At CAELEX, our top priority is to provide only the best products and brands. Our dedicated team works tirelessly to source both local and international products, including those that are rare or difficult to find. With trusted suppliers across Africa, Europe, North America, and Asia, we are able to import and supply exceptional-quality aftermarket parts from the most reputable sources worldwide.

Here are just some of the brands we can supply and/or repair for you:

What We Offer

Spare Parts & Components

For the South African auto electrical market, we offer a comprehensive range of over 18,000 stocked items, including:

- | | | |
|---------------------------|---------------------------|-----------------------------|
| ✓ Solenoids | ✓ Drive End Brackets | ✓ Rectifiers |
| ✓ Bendix Drives | ✓ Commutator End Brackets | ✓ Alternator Pulleys |
| ✓ Armatures | ✓ Starters | ✓ Friction Clutch Pulleys |
| ✓ Bushes | ✓ Alternators | ✓ Regulator Bearings |
| ✓ Brush Holders & Brushes | ✓ Sliprings | ✓ And everything in-between |
| ✓ Field Coil Housings | ✓ Regulators | |

Starter Motors & Alternators

CAELEX, is a premium supplier of high quality auto electrical parts to auto electricians, fleets and mines around South Africa.

We supply both light-duty and heavy-duty starter motors and alternators—whether it’s a city runabout or the massive earthmoving machines powering South Africa’s largest mines, we’ve got the units you need. Can’t find what you’re looking for? No problem—we’ll track it down for you. Our unofficial anthem says it all: “Call CAELEX, they probably have it.”

We take pride in being the go-to company for hard-to-find or specialty components. With a sales team and buying department renowned for their sourcing skills, we excel at tracking down even the rarest parts.

Lighting & Accessories

CAELEX also stocks a fantastic range of automotive LED lighting solutions.

From lower end LED spot and flood lights for the DIY tinkerer, up to light bars, flood lamps and worker lights used by trucking fleets and mining equipment – fitted with only the highest quality CREE LED technology available. Need accessories? We have that too! Everything from Gauges to sender units, sensors, backup horns, hooters, spotlight brackets, wiring and most other things you can think of.

Equipment

CAELEX also provides a variety of auto electrical equipment, including:

- Test Benches (Small to large) for testing Starter Motors & Alternators
- Regulator Testers, such as the VRA077i regulator tester (made in Argentina for which we are the Official Appointed Distributors in SA), capable of testing nearly ALL regulators on the market today.
- Computer Diagnosis Equipment.
- Battery Testing Equipment, from basic to those with digital assessments and printouts.
- Basic Test Meters for basic voltage and amperage testing.
- Advanced and Heavy-Duty Automotive Test Meters.
- Battery chargers, from light duty to heavy duty and even multi-battery charging hubs
